The first thing to do when looking to become a better decision maker is to widen your options. If you are tasked with making a decision, it is important to think about all of the possibilities, rather than be closed minded. When looking to make a decision, people should consider more than one option, and adopt a “this and that” mindset.

Book Summary - Decisive: How to Make Better Choices in ...

Shauna Shapiro The way that mindfulness helps in decision-making is that it allows for this kind of process of personal inquiry, as opposed to a purely top-down hierarchical and moralistic process of being told what is right and what is wrong. It teaches people how to listen deeply and stay connected with their values and then gives them this kind of courage and these attitudes of kindness and compassion to make choices that are aligned with that, even when they're difficult.

Episode 80: How to Make Better Decisions

In *Decisive*, the Heaths, based on an exhaustive study of the decision-making literature, introduce a four-step process designed to counteract these biases. *Decisive* takes readers on an unforgettable journey, from a rock star's ingenious decision-making trick to a CEO's disastrous acquisition, to a single question that can often resolve thorny personal decisions.

Decisive - Heath Brothers Heath Brothers

Overconfidence can easily make your judgment go awry. 1 ? Studies consistently show people tend to overestimate their performance as well as the accuracy of their knowledge. Perhaps you are 90% sure you know where the office is that you're visiting. Or maybe you're 80% certain you can convince your boss to give you a promotion.
