The Russian Soviet Federative Socialist Republic (1917–1991) and more broadly the Soviet Union (1922–1991) had a long history of state atheism, whereby those seeking social success generally had to profess atheism and to stay away from houses of worship; this trend became especially militant during the middle of the Stalinist era which lasted from 1929 to 1939.

~~State atheism - Wikipedia~~

A: I think the first thing worth underscoring is that A Sacred Space Is Never Empty is the first history of Soviet atheism from the 1917 revolution to the dissolution of the Soviet Union in 1991 that is grounded in archival sources. This is worth noting, and should surprise us, because the binary opposition of godly West and godless communism defined the Cold War – and yet there was little attention paid to the “ godless ” part of this term.

After the fall of the Soviet Union there was a religious resurgence (see: Collapse of atheism in the former Soviet Union). Effects of Soviet atheism. By forcing atheism upon its people, the Soviet Union further promoted its brutal policies. It provided a way to implement "social darwinism" on the people of the USSR. Soviet atheism still stands as a vivid example of how harmful an explicit rejection of religion and God can be to a society.

~~Soviet atheism - Conservapedia~~

A Sacred Space Is Never Empty presents the first history of Soviet atheism from the 1917 revolution to the dissolution of the Soviet Union in 1991. Drawing on a wealth of archival material and in-depth interviews with those who were on the front lines of Communist ideological campaigns, Victoria Smolkin argues that to understand the Soviet experiment, we must make sense of Soviet atheism.

Russia was transformed from a bastion of conservative Orthodoxy in the nineteenth century into the world ' s leading promoter of atheism in the twentieth. This historical backdrop of Russia ' s remarkable journey from Orthodoxy to atheism, and back again, is chronicled in Victoria Smolkin ' s A Sacred Space is Never Empty: A History of Soviet Atheism. It is the first full account of Soviet atheism, from the Bolshevik revolution in 1917 to the dissolution of the USSR in 1991.
