R. K. Narayan (1906–2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. The title character in *The English Teacher*, Narayan's most autobiographical novel, searches for meaning when the death of his young wife deprives him of his greatest source of happiness. This pioneering novel, luminous in its detail and refreshingly free of artifice, is a gift to twentieth-century literature.

A king visits a hermit to gain answers to three important questions.

'The best of R.K. Narayan's enchanting novels'—*The New Yorker* Raju, a corrupt tourist guide, together with his lover, the dancer Rosie, leads a prosperous life before he is thrown into prison. After release he rests on the steps of an abandoned temple when a peasant passing by mistakes him for a holy man. Slowly, almost reluctantly, he begins to play the part, acting as a spiritual guide to the village community. Raju's holiness is put to the test when a drought strikes the village, and he is asked to fast for twelve days to summon the rains.

Narayan is the compassionate man who can write of human life as comedy'—*The New York Times Book Review* 'Narayan is such a natural writer, so true to his experience and emotions'—V.S. Naipaul
